Environmental Policy

GEM® College of International Business recognises the importance of the environment for the future of the world.

In achieving our mission, GEM® College of International Business will always remain conscious of the impact that our staff and we have on the environment by our attitudes and behaviours.

- Our training courses will always advocate appropriate environmental practices.
- We will encourage good environmental practices by promoting energy efficiency in our use of equipment and facilities.
- We will encourage recycling of paper and other products.
- We will dispose of non-recyclable waste appropriately.
- We will encourage our staff and customers to act locally and think globally.
